We are so proud of the fantastic teaching team we have here; **Jude and Ben** are both excellent, charismatic and patient teachers!

September Plans

Although it feels a long way away, we are starting to take requests from families who will need to move to lessons after school or on weekends from September, when their little ones start school. If you know this will be you, please get in touch so we can start making arrangements. It's a long and complicated process, so we need the time to work things out to fit everyone's requests in!

Wishing you a lovely half term. We look forward to welcoming you back from Monday 23rd February!
