Some Reminders...

- Please be mindful of our swimmers when having conversations poolside. Some children find it hard to concentrate on their teachers if lots of people are talking when their lessons are in progress.
- Please tidy up after yourselves; leave the changing rooms and poolside seating areas as you'd expect to find them.
- Lost property! If you've left something behind, do pop into the office (Little Thetford site) so we can reunite you with it!
- No nappies in the bins please! We don't have commercial bins so cannot dispose of these. Please take them home with you - wet or dry ones.
- We require a month's notice if you wish to cancel your swimming lessons, so we can make all the necessary arrangements. Thank you!

Summer Holiday Activities

Last year, we decided to stay open during the summer holidays so that our customers, new and old, could continue doing what they love the most – swimming and having fun in the water!

This year, we've got even **bigger** and **better** plans (more information to come on this soon, when all secrets will be revealed...)

We would love to know what you'd like to be part of. So far, we're thinking:

- swimming crash courses
- drop-in swimming lessons for all
- aquacise classes
- pool games
- snorkelling sessions
- pool parties
- mermaid experiences
- water tournaments
- birthday parties
- private pool hires

What else would you like, to help keep you entertained and keep up your swimming momentum?

Please let us know so we can plan in advance and make sure we've got something for everyone. We're waiting to hear from you!
